

SEEKING TO INCREASE THE IMPACT OF YOUR FORUM?

Even Forums that have highly engaged and robust meetings benefit from a regular 'check-up' as Forum health is critical for on-going success. The Forum SuperCharge programme assesses key challenges and opportunities for growth in your Forum.

Using the YPO Forum Health Survey, we look at the eight success principles and how they are experienced in your Forum. From this input, we then create a detailed programme based around your Forum's needs. This may include a retreat to review the survey results and provide individual coaching and support.

Gulnar also offers the following YPO programs:
